

# #Act2Impact

## Schools for #Act2Impact:

- Teach people in your school/society about the Sustainable Development Goals.
- Set up an SDG Club at your school!
- Align your school with an SDG, and be a champion!
- Educate your circle about environmental damage and how small changes can create a big impact!
- Install Solar Panels on the School Campus!
- Organise a free health check-up in your School!
- Set up awareness sessions about menstrual/female hygiene in the slums!
- Set-up an on-campus compost pit for organic waste recycling.
- Sign up with restaurants in your locality to dish out their excess food of the day to the needy!
- Reuse waste water from RO system to water the plants
- Host a fix-a-leak week!
- Swap all incandescent to CFL or LED lights at your school.
- Practice Upcycling in your school.
- Build a Rain-water harvesting pit in your school
- Organise a Plastic-free Day/Week in your school.
- Set up a small supermarket replica and create awareness on how they can reduce Plastic usage.
- Organise a small fund-raising activity to help local organic businesses
- Switch to steel lunch boxes.
- Organise a Charity Art Sale in your school with the SDGs as your theme.
- Plan a Potluck with traditional dishes from across the world - Promote Cultural Sensitivity.
- Organise a week-long cultural program representing 3rd world countries.

---

After choosing your activity from the list, please document your impact along with photos and/or videos and send them to us to **[munforindia@worldview.global](mailto:munforindia@worldview.global)**
